Thank you! Someone will be reaching out to discuss your application soon.

PLEASE NOTE:

1. Advisory Board terms are ongoing until you send a request to end your appointment in writing or via e-mail to admin@place-happy.org with "Exiting Board" as the subject line.
2. Although we carry director and officer insurance, the advisory board position does not place you into the position to be liable for My Happy Place decisions. Your advice is taken very seriously but the responsibility associated with implementation lies with the governing board of directors.
3. Meetings are held virtually, twice per year, in June and December. The first is to discuss goals and to secure letters of support. The second is to review progress and to set new goals.
4. **The only requirement to join the advisory board is that you "care".** No formal education or experience is needed.

Please email the completed application to admin@place-happy.org or mail it to: 610 Robinson Room A
